

Adios la Chesa Catolica del questo Mondo!

Yiheyis Aemro

Based on one of the shocking news of this day, September 19, 2013, I am writing this short message to those who claim to be Christians on this bloody planet. Needless to mention the denomination, I also claim to be Christian. I am Ethiopian living in Addis Ababa. I hope, it is enough to be Christian to expose the satanic deed of one of our Popes, a satanic deed that has been committed in broad day light this day in Brazil. My main intention is telling the failure of this religious leader to live up the promises he entered as a clergy and consequently as a pontiff to guide this great church. He smeared the truth with mud. [My title: - Alas to the Church of Catholic (of this world)!]

The Pope I mention here is the Pope of Catholics. He is Argentine by citizenship but a descendant of an Italian family. He replaced Benedict XVI in this year. His papal name is Francis I. Until today he has been on a tour in Latin America.

He gave these astonishing words to newsmen today: "If a man says 'I believe in God but I am a gay', who am I to judge him?" – This is the Pope of Catholics worldwide; this is 'the most blessed' man on Earth, the heir of St. Peter's scepter, the shepherd of the sheep, the captain of one of the oldest cracking ships, whose number is about two billion. This enigmatic person is the highest religious leader in Catholicism on whom Jesus Christ has given the key to heaven. This is the man who is heading the Roman Catholic Church towards redemption and salvation from the evil deeds of Satan. This is the man who is supposed to fight with the Anti-Christ who is expected to manifest himself soon according to predictions, before the second coming of Christ. Shame on him! To my meager knowledge, he himself must be the Anti-Christ and perhaps the last Pope of the RCC. I admit that I must not be hurrying to judge; nevertheless, so long as he said what he said this day, he is absolutely anti-Christ, if not the anticipated Anti-Christ.

What the hell is his Papacy meant if he cannot differentiate a sin from a virtue? Why is he there even as an ordinary deacon or priest, leave alone as a pontiff in Vatican, if he fails to boldly teach the teachings of Jesus and his disciples? Why is he there to teach the opposite of what Jesus taught about two millenniums back? Isn't he nonsensical bullshit to the extent of becoming an open messenger of Satan? Is he there as a gay activist or as an ecclesial leader of Christians? Is he a Cainine shepherd who is there to sell the sheep entrusted to him to Devil? Or is he a Judaic ambassador of Mr. Lucifer to betray Jesus and His followers again, just for the reward of few carnal luxuries? What are we observing in this stupidest age of human life on Earth? Is it not mindboggling? I am dead sure that he is obsessed by ill-mannered sexual behavior and possessed by certain hellish spirit which directly negates the Holy Spirit. Otherwise, this great Father of the RCC wouldn't have preferred to get himself in such scandalous quagmire the motive of which is very clear. Shame on him again.

Does this Pope know the Holy Bible? Does he really know the Ten Commandments? What does he mean when he says, 'we shouldn't give focus to doctrines'? **Why is he so keen to encourage sinners?** - "If a woman tells me she believes in God and says 'I am lesbian', who am I to judge her?" "If a person tells me s/he believes in God and says 'I am a thief', who am I to judge them?" "If a person tells me that he is Christian and an adulterer who am I to judge them?" "If a person tells me that he believes in God and says 'I am a liar', who am I to judge him?" – What a Pope has come to lead us? Let the Almighty God visit this person in His grace. Up until the present time, most often, Satan has been in a clandestine

manner everywhere where there is a church to lead astray the clergy and the nuns along with their congregation. But as of now, it means he has openly hijacked almost all the churches in the world and has begun carrying out his mission conspicuously before his time comes to an end. What a worrying state! Anyhow, he had better kill himself before I present the following golden words from the Epistle sent to the Romans by Saint Paul.

God's Wrath against Sinful Humanity

¹⁸The wrath of God is being revealed from heaven against all the godlessness and wickedness of people, who suppress the truth by their wickedness, ¹⁹since what may be known about God is plain to them, because God has made it plain to them. ²⁰For since the creation of the world God's invisible qualities—his eternal power and divine nature—have been clearly seen, being understood from what has been made, so that people are without excuse.

²¹For although they knew God, they neither glorified him as God nor gave thanks to him, but their thinking became futile and their foolish hearts were darkened. ²²Although they claimed to be wise, they became fools ²³and exchanged the glory of the immortal God for images made to look like a mortal human being and birds and animals and reptiles.

²⁴Therefore God gave them over in the sinful desires of their hearts to sexual impurity for the degrading of their bodies with one another. ²⁵They exchanged the truth about God for a lie, and worshiped and served created things rather than the Creator—who is forever praised. Amen.

²⁶Because of this, God gave them over to shameful lusts. Even their women exchanged natural sexual relations for unnatural ones. ²⁷In the same way the men also abandoned natural relations with women and were inflamed with lust for one another. Men committed shameful acts with other men, and received in themselves the due penalty for their error.

²⁸Furthermore, just as they did not think it worthwhile to retain the knowledge of God, so God gave them over to a depraved mind, so that they do what ought not to be done. ²⁹They have become filled with every kind of wickedness, evil, greed and depravity. They are full of envy, murder, strife, deceit and malice. They are gossips, ³⁰slanderers, God-haters, insolent, arrogant and boastful; they invent ways of doing evil; they disobey their parents; ³¹they have no understanding, no fidelity, no love, no mercy. ³²Although they know God's righteous decree that those who do such things deserve death, they not only continue to do these very things but also approve of those who practice them.

What does the puppy, I mean the Pope, mean when he says, 'Who am I to judge him'? Is he himself a gay? I shouldn't hope so. I am made to know that there are thousands of priests and the clergy who are engaged in deviant sexual practice; I personally know many priests and nuns who indulge in debauchery and hedonism, forgetting their vow. I know especially this time around is a time of temptation and simply put, according to the Bible, none of us will meet even the minimum requirement of piousness.

Anyone who plays a role of advocacy to the rights of gays, most likely that creature should himself be a gay; I could be wrong if my allegation is seen in a strictest sense. But it is my sincere conviction that most gay activists themselves must be gays. ... I don't know, but I feel like that. 'Who cares for the dead fish except the fisherman'? 'There is no smoke where there is no fire!' Sweet fruits can be discerned while they are on the trees. I wouldn't wonder this much if an atheist or anyone else other than a church man says what the Pope has said this day. This is shocking, really. I was shocked in a degree I had never been before. Where are we heading guys? What will become of us, the lay, if our religious leaders are more satanic than our political leaders? Is this not maddening? To me, every direction is becoming blurred.

Though the reason is not clear, we all know that President Barack Obama is gay activist; nevertheless, I am not sure whether he is it or not. He is fond of gays; he is usually in favor of gays' rights in the US. He came to Africa and toured three nations to fight for the rights of gays; he must be wasting the money of taxpayers, his precious presidential time, his reputation, and the core values of the 'Founding Fathers' in this futile working visit. Shame on him too. He went to Russia partly to fight for the rights of gays there. By the way, what the hell is his religion? Doesn't he say that, "I am protestant Christian"? What is he doing then? Does he well know Christianity? Does he know the moral codes of Christendom? Are LGBT included in the good values of Christianity? (LGBT – Lesbian, Gay, Bisexual, and Transgender) Why are so many people pretentious nowadays? Why do our personalities unreasonably differ from time to time and from one situation to another? Why do we mix up things which can by no means mix up? ... Are we living in a dreamy world? I guess so.

Alas for those who purposely mislead the sheep towards the abyss! They will be rewarded accordingly.

Please disseminate this letter of grievance to all people in this world.

God bless us all.
