For How Long...,To Whom Can We Appeal?

who are these
what is
their charge
poverty
operation
has been
their faith
no government
to represent
to appeal
their case
just because
they are Ethiopians
o God
for how long
are we to suffer
for bread and butter
who is there
that plead

**their case
no government
to defend
their human right
for how long
are Ethiopians
to be raped
jailed
flogged
no place
to call home
no wealth
to pay off their debt
o God
to whom
can we appeal**
