

urgent notice and sad news to all Ethiopian Orthodox Tewahido Church believers and followers in London.

Our church is already registered in the company house only owned by two persons as a directors with out the knowledge and legal permission of the parish administration council (trust), general association (GM) and the holding charity trustee and charity commission. the short name of the church is now "**private company limited by guarantee**" even with out memorandum of association and Articles of association.

Mr Director of the company agreed to registered all the assets of the church in 6months time acting as a director with out permission or elected by the GM as well as the charity deeded or the church by law.

Please see the certificate enclose with and let's discusse what we **MUST** do next urgently, effectively and efficiently. "**we went in the war zone when our enemy attacking us in front our bad leaders and evil friends behind, in the middle we all wounded,surrendered and dead**". specially we all so called trustee priests and all innocent Ethiopian Orthodox Tewhido church believers round London.

Sadly we are not cold or we are not hot. please report to police immediately by attaching the legal trustee deeded and the latter we were wrote to the charity commission in october 2012 for legal investigation to know where is the truth.

Almighty God,my Lord Bless You All
